Direction notes to the SEA car park

By road: Turn left at the roundabout marked 'A' (with city wall footbridge crossing the road). When you reach the mini-roundabout turn left into Marlowe Avenue, then right into St John's Lane (one way street). Turn right into the car park with yellow barriers. Go to the end of the car park. Park in one of the two bays marked with the SEA plaque. Go through the archway into a courtyard. Our door is located on the right.

By rail: Trains run either to Canterbury East (3 minutes walk) or Canterbury West (15 minutes walk)

By foot: As you are walking on Watling Street into Canterbury City Centre you will see the open air car park on your left and the bus station on your right. Proceed along Watling Street crossing a narrow road where you will see a mini roundabout. Immediately on your left you will see The Coach House B & B. If you look face on to this building you will see a walk way on the right hand side of the building with a sign posted 'Simon Edridge Associates' above. Walk through this walk way and continue until you reach our courtyard and our premises.
